

[Docket No. RM07-16-000]

Notice of Format Change for Combined Notices; Filing Via the Internet

The purpose of this notice is to announce that the Commission will use a new format for Combined Notices (CNF) coming in early August 2021. The format will change to include a single table for each section of the combined notice for electric filings and two tables for the combined notice for natural gas filings, one for filings initiating proceedings and one for filings in existing proceedings, as shown in the examples below. This allows alignments which improve the readability of the document.

Beginning in August, the links displayed in these combined notices will include the following:

Docket Number Link: Links to the Docket List page.

Description Link: Links to the File List page. On the File List page, you can generate the FERC PDF, download single files, or download all files for the document.

Accession Number Link: Links to the Document Info page.

Also, the Combined Notices will include additional filing types, in particular complaints.
